

Important Information Concerning The HST

As you may know, the Government of Ontario is introducing the Harmonized Sales Tax (HST) later this summer. According to the transition rules as announced by the Government we must include the HST in all of our dance fees for 2010 - 2011. Although completely out of our control, we recognize that these changes will significantly increase the cost of our dance classes for 2010-2011. To help offset these changes, **we have lowered our prices by approximately 4%**, prior to the addition of the HST. Since our prices were previously only subject to GST, this means that our 2010-2011 prices are rising by approximately 4% - entirely due to the application of the HST.

We are also changing our early payment policy for this year to help lower the impact of the HST. **If you choose to pay the amount owing in FULL by June 30th, 2010, we will apply a discount equivalent to the HST increase (8% of the pre-tax amount) to your class fees.**

All prices shown below include HST.

At MHSB class levels are divided into three sub-schools: Junior School, Middle School, and Senior School. The fees differ for each school due to differences in the length of the class, in the length of the school year, and in the type of end-of-year recital.

Your child is not completely registered in a class until we have received a complete registration package and either one payment for the entire year, four postdated cheques, or credit card authorization for four equal payments. The four equal payments must be dated / will be processed on: **the date your registration is processed; October 18th, 2010; December 6th, 2010; and February 7th, 2011.** If you register after October 12th, 2010, three equal payments must be dated / will be processed on: **the date your registration is processed; December 6th, 2010; and February 7th, 2011.**

Lesson fees are pro-rated if a student starts a class after it has commenced.

If you choose to withdraw from a class you must complete our class cancellation form and pay a \$25 cancellation fee.

The registration fee (included within the class fees) is completely non-refundable.

If you choose to switch classes after October 12th, 2010, a \$15 administrative fee will be charged per class changed.

You may pay by cash or debit card for class fees if you are paying in person at our main location and are paying for the entire year in one payment.
