

Dear Parents and Guardians,

Please find enclosed our summer camp package for 2011. All three camps will be based out of our main location on Yonge Street. Our campers will occupy the 2384 Yonge St. West Side location (above the post office). This location is air-conditioned, so rest assured your child will be in a cool studio while dancing up a storm.

Our camp's encouraging, laid-back learning environment will provide an enjoyable and rewarding experience yet still challenge all children. Our teachers are qualified to instruct a range of ability levels, making these programs well suited for students who may never have danced before, as well as for those already enrolled at MHSB, or elsewhere, who wish to keep up their dancing or to try new dance forms.

Perhaps your child would like to bring their friends along - it is after all, more fun to try something new with the support of a good friend.

The summer is an ideal way for children to try out a new program or dance form without having to make a full-year commitment.

So whether your child is a current student, former student or never even been to MHSB, we think we have something truly special and enjoyable to offer all children aged 3 1/2 to 10. We are very excited about the programs we have lined up for July and August and look forward to spending the summer of 2011 with many of you!

Please feel free to call the studio if you have any questions regarding our camp, or check our website at www.mhsb.ca.
