

# 2010 - 2011 VOLUNTEER & GIFT FORM

Hello Parents and Guardians,

It is hard to believe that once again it is almost show time and that our recitals are just around the corner. With all of the experience gained last year, this year is sure to run smoothly.

This year we will need twelve volunteers per show. We do not need you to stay for the whole duration of the show. Our biggest challenge is the most important - ensuring that all children will be supervised from room to room. The change rooms at the Isabel Bader Theatre are small and spread out over a large area; therefore, lots of parental supervision is needed so that a child is never left alone. We also need people to help direct parents to their child's change room. The theatre does provide some ushers, but we will still need to have volunteer ushers as well. Please remember that volunteers will not be allowed to watch the show from backstage.

Volunteers will be met in the front lobby of the theatre before each show. If you are volunteering please arrive 45 minutes before show time, this will give you enough time to familiarize yourself with the layout of the theatre. If you have any questions or concerns regarding any aspect of volunteering please contact Katarina Tyson at [ktyson@mhsb.ca](mailto:ktyson@mhsb.ca) or Miriam Rottapel at [robert.rottapel@sympatico.ca](mailto:robert.rottapel@sympatico.ca).

If you would like to volunteer please fill out this form and return it to the school at your earliest convenience. **Please do not volunteer for a show that you have tickets to.** You may also sign up via email by contacting Katarina or Miriam directly at their respective email addresses listed above. Please be sure to indicate which show(s) you will be available to volunteer for.

These types of shows cannot run smoothly without the help of many, dedicated, good humoured volunteers. For all of you who helped last year, another big thank you! We are looking forward to seeing familiar faces again and to meeting new volunteers as well!

Looking forward to hearing from you soon.

\*What is a CSC and why must I provide this?  
A CSC or Credit Card Security Code is the 3 digit number found on the back of your VISA or MasterCard and is typically a separate group of 3 digits to the right of the signature strip. It is often asked for by merchants for them to secure "card not present" transactions occurring over the Internet, by mail, fax or over the phone, thus reducing credit card fraud when the cardholder is not present in person.
